

Classroom transition support plan

A short plan for smoother transitions and predictable cues.

Transition steps

1. Give a 5 minute warning and show the next activity card.
2. Use a visual timer or countdown.
3. Offer a small role (carry the notebook, wipe the board).
4. Confirm the next activity with one short sentence.

Support cues

- %i Visual timer
- %i “Next up” card
- %i Transition song
- %i Calm corner option
